WARRANTY COVERAGE DETAILS

THIS WARRANTY WILL COVER REMANUFACTURED SHORT AND LONG-BLOCK ENGINES THAT ARE BUILT BY CHOATE ENGINEERING PERFORMANCE UNLESS OTHERWISE STATED. FROM THIS PAGE ON, ENGINES WILL BE REFERRED TO AS “UNIT(S)” AND/OR “ENGINE(S)” UNLESS OTHERWISE STATED. FUEL PUMP, INJECTORS, AND TURBO WARRANTIES AND WARRANTIES ON ALL ACCESSORIES ARE COVERED BY THE SUPPLYING MANUFACTURER’S WARRANTY.

- CHOATE Engineering Performance will warrant the original buyer on any unit purchased from defects in materials and workmanship.
- The rights in the course of action, regarding repairs or replacements of any warrantied units, are solely reserved by CHOATE Engineering Performance.
- By entering into this contract with CHOATE Engineering Performance the buyer accepts that there will not be any refunds for units used or installed in any way.
- CHOATE Engineering Performance retains full discretion on any compensation or refund regarding unused units.
- All decisions made by CHOATE Engineering Performance are final.
- If a warranty claim is made, all warrantied units must be returned with complete service history including proof of purchase with date and invoice, mileage of the vehicle at installation, and current mileage of the vehicle.
- In the event a Purchased Unit is inventoried or “unused” for three (3) months or more at any time following receipt of the Purchased Unit by the Customer, CHOATE Engineering Performance may, at its sole discretion, void any Limited Warranty on the Purchased Unit.
- This warranty will be null, and void and CHOATE Engineering Performance will assume no responsibility or liability on any unit that holds an invoice with an open balance before warrantied repair or replacement is considered by CHOATE Engineering Performance, all cores must be returned to CHOATE Engineering Performance and all bills must be paid in full.
- In the case of a failed unit, the buyer must immediately contact CHOATE Engineering Performance to notify them of said failure and a Help Desk Ticket will be created.
- Further instructions shall be given to the buyer once the Help Desk Ticket has been created by CHOATE Engineering Performance.
- A defective unit must be returned to CHOATE for inspection before a replacement unit will be sent out to the buyer.
- Once a unit has been inspected by CHOATE Engineering Performance and the cause of failure is detected, A fluid sample may be analyzed in helping determine the cause of failure, CHOATE Engineering Performance will then

give written documentation describing the condition of the unit and determine, to the best of our ability, what caused the failure or malfunction.

- CHOATE Engineering Performance will make the decision on the validity of the warranty claim contingent on the inspection report.
- The buyer will then be contacted by CHOATE Engineering Performance and notified of the findings of the inspection and subsequent actions that will be taken.
- In the case that a unit needs immediate servicing and the buyer opts to not wait for the said unit to be returned to CHOATE Engineering Performance for further inspection, service, and possible repairs or replacement, it is possible for a replacement unit to be purchased for the full, current MSRP of the unit, along with core charge and shipping.
- When the defective unit is received by CHOATE Engineering Performance the unit will be reviewed, and the core charge will be refunded to the buyer.
- During the review of the unit, it will be inspected for warranted damage.
- If the failure is covered under the terms of the warranty, CHOATE Engineering Performance will refund the buyer for the full purchase price of the replacement unit.
- If the failure was caused by any issue not covered under the warranty, charges will be figured based on the parts necessary to return the unit to CHOATE Engineering Performance standards, and the buyer will receive a refund of the difference (if any) between the purchased price of the replacement unit and the cost of parts necessary for repair.
- A unit will only be held at CHOATE Engineering Performance for 6 months without resolution.
- Specific Oil (as required), as per the accompanying documents on the unit, MUST be used on the unit for the warranty to be applicable.
- All shop labor rates are set at \$50.00 per hour based on the Mitchell Labor Guide up to a maximum of \$2,000.00.

FOR PREFERRED DEALERS ONLY: LABOR RATE IS SET AT A HIGHER RATE PER HOUR UP TO A MAXIMUM OF \$2,500, NO EXCEPTIONS.

- The balance of labor is to be paid by the customer as a deductible for coverage. There will be no additional costs for shop materials.
- Any repair orders and/or failed parts received forty-five (45) days after the date the Limited Warranty Claim is received by CHOATE Engineering Performance will not be considered for reimbursement.
- Buyer MUST email a copy of the attached Warranty Registration Form, a picture of the odometer at the time of installation, and a copy of the receipt for the new oil cooler, a new oil pump, a new water pump, new air compressor (if applicable), new lubricating oil, and all new filters (oil, air, fuel) within 45 days of purchase or the warranty may be VOID.
